14. Please describe this person's greatest weaknesses as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- I don't really think he has a weakness. He managed to give us all a strong lecture in stuff we would need to know for research. He was prompt for all meetings and explained concepts to us very well. He always made time in his schedule for us, replied to our emails and was lenient in grading when we had good reasons. Literally the perfect TA
- No complaints, a very useful resource.

15. Do you have any other comments to add to your evaluation?
Please keep your comments constructive and professional, abiding by the Principles of Community

- Great TA
- He's the goat
